Dear Choir Member,

This is to inform you of the Inaugural Meeting of the Nantwich and District Choral Society which will be held at Nantwich Public Library on Wednesday, 20th September commencing at 7.30 p.m.

The purpose of this meeting is to formally constitute the Society, agree it's Constitution and Rules, elect President, Chairman and Committee and outline objectives and future programme.

You will find attached a Nomination Form for completion for the posts of Chairman, Hon. Secretary, Hon Treasurer, Hon. Conductor and four committee members. It would be appreciated if you could complete this having first obtained the agreement of your nominee's to stand for election and return same to me by no later than the 16th September. In this context I would mention that Mr. A. Chatwin has been proposed as President of the Society and has indicated his agreement to stand.

Enclosed with this letter are drafts of the proposed Constitution and Rules which have to be approved at the meeting and should you have any proposed amendments or items for inclusion in the Meeting concerning the Society's formation I should like to receive these together with your nominations.

Finally, I would stress that the Meeting is open to all who are interested and any efforts that you personally can make to invite musical friends (particularly tenors and basses) would be much appreciated.

Yours very sincerely,

(M.J.C. BAX)
