## New choir in debut

A NEW Nantwich choir will make its debut with a concert in the Parish Church on June 28. It is the W.E.A. Choir, and the concert is the end-product of a six-week choral music class tutored by Mr. Michael Bax.

The class brought an enthusiastic response from many people, who felt the lack of any choral music group in the town.

A choral music group is now to be formed and Mr. Bax at 6 Rookery-drive, Nantwich (63070) will be pleased to hear from anyone interested.

The main work at the concert will be Schubert's Mass No. 2 in G, which will be accompanied by strings and by Mr. Michael Bridger at the organ. The accompanist will be Mrs. J. Roberts. Other items include works by Purcell, Stravinsky, and Vaughan Williams.

THE CHRONICLE, THURSDAY, JUNE 22, 1972.
